

## 208~230V Super High Fan Coil

**Model:TVRF-IESHESPD07KHP**

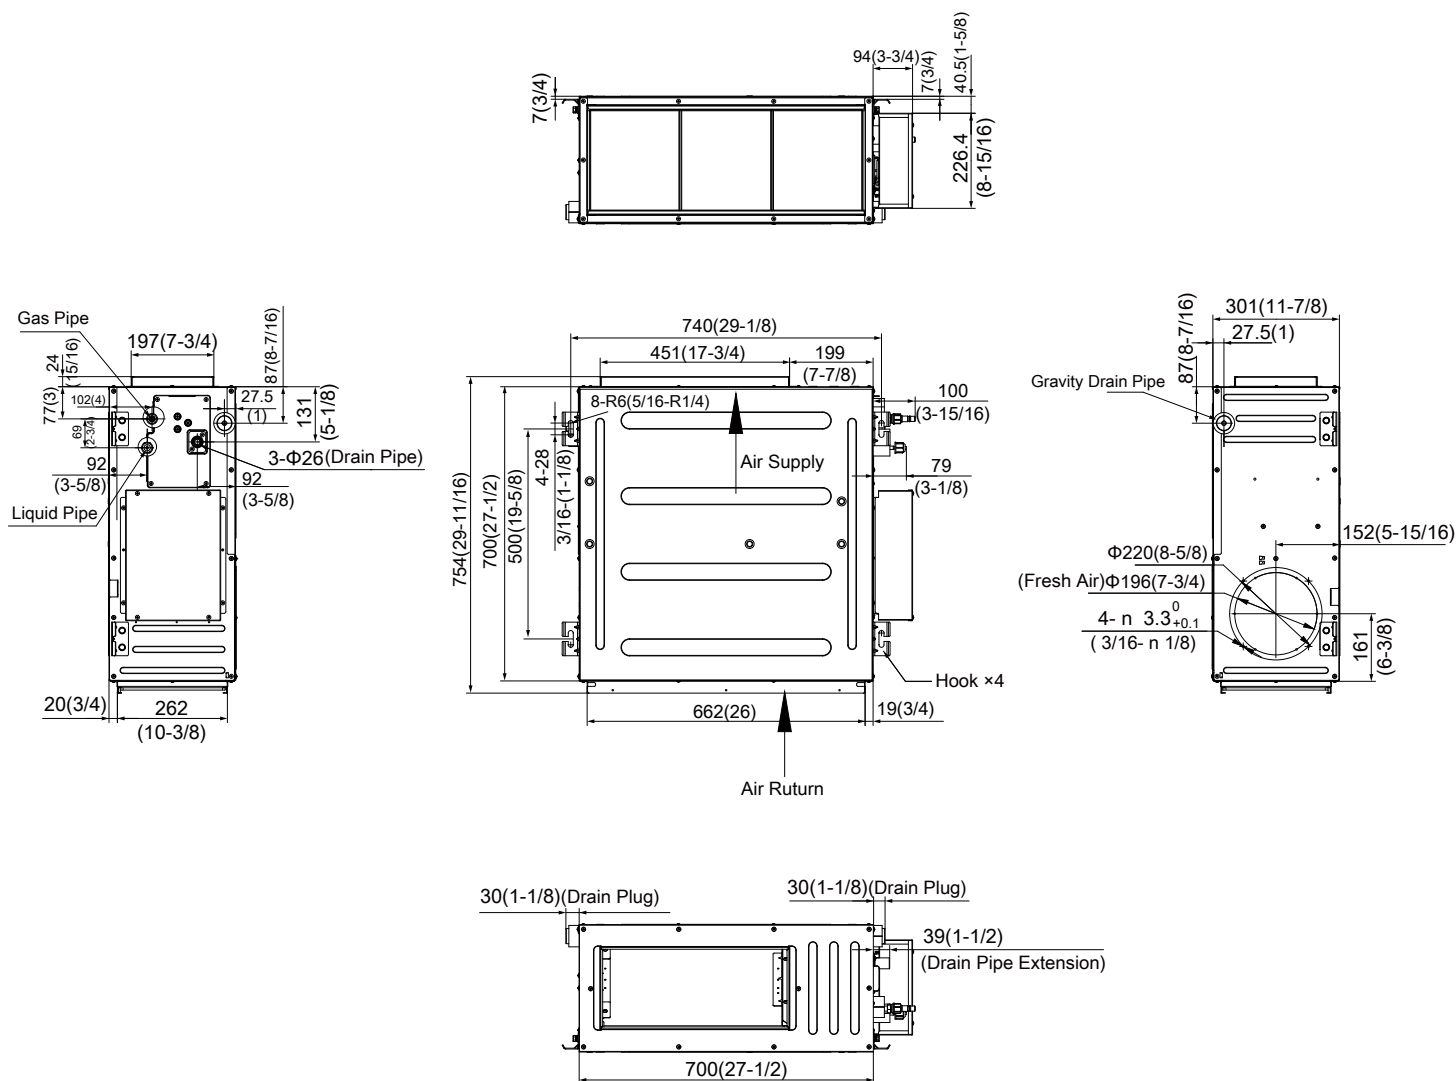

| Specifications                       | Unit                 | Parameter                                  |
|--------------------------------------|----------------------|--------------------------------------------|
| Model                                | —                    | TVRF-IESHESPD07KHP                         |
| <b>Performance</b>                   |                      |                                            |
| Rated Cooling Capacity               | kBtu/h               | 7.5                                        |
| Rated Heating Capacity               | kBtu/h               | 8.5                                        |
| Sound Pressure Level                 | dB(A)                | 31/33/35                                   |
| <b>Electrical Data</b>               |                      |                                            |
| Power Supply                         | Voltage,Phase, Hertz | 208/230,1,60                               |
| Maximum Overcurrent Protection (MOP) | A                    | 15                                         |
| Minimum Circuit Amps (MCA)           | A                    | 1                                          |
| <b>Fan</b>                           |                      |                                            |
| Type × Quantity                      | —                    | Centrifugal ×1                             |
